3. **AUTHORITY**

3.1 Public Utilities Group Director

3.2 Administrative Regulation 70.01, City Training Policy and Establishment of Training Advisory Committee

3.3 Administrative Regulation 70.30, Tuition Refund Plan

3.4 Administrative Regulation 70.40, Special Outside Courses of Instruction

3.5 Administrative Regulation 90.30, Travel Policy

3.6 Administrative Regulation 95.40, In-Town Reimbursable Expenses

3.7 Department Instruction 10.11, Public Utilities Group Certification Program
4. POLICY

4.1 A well trained work force is essential for safe and efficient Public Utilities Group operations. To ensure that training opportunities are available to all personnel and to maintain compliance with Federal, State and local laws and regulations regarding training requirements, the Public Utilities Group has developed a comprehensive Training Program. This Training Program is designed to meet Federal, State, City and Divisional Department mandates, maintain or enhance job performance and assist employees in career development.

4.2 The Public Utilities Group supports opportunities for learning and interaction with other agencies performing similar functions. Such interactions can include meetings, joint seminars, participation in training sessions, field trips and related activities.

5. SCOPE

5.1 All participation by Public Utilities Group personnel in training and education activities shall be coordinated by the Public Utilities Group Training Section. In addition to standardization of registration and fee payments, this centralization enables the maintenance of complete and accurate training records.

5.2 This policy shall cover:

a. Internal Training - formalized training courses offered through the Public Utilities Group Training Program, including computer skills training and training provided by other City departments. These courses are coordinated and sponsored by the Training Section, as shown in the training program catalog or any other advertised catalog updates;

b. External Training - career-related courses offered by non-City training organizations which augment the Public Utility Group's internal course offerings. These courses are sponsored by non-City training providers;
c. Formal On-the-Job Training - safety tailgates, seminars, vendor learning events and other specialized training presentations for Public Utilities Group staff, which may or may not follow a predetermined curriculum, and the employee may be held accountable for attending;

d. College/University Classes - courses offered by accredited colleges, universities, or business trade schools which award academic credits, or courses taken to satisfy professional continuing education certificates and/or licensing requirements;

e. Correspondence Programs - all self-study correspondence programs offered through other City departments, other governmental jurisdictions, or accredited schools;

f. Conferences, Conventions, Symposia, or other meetings whose subject areas are pertinent to Public Utilities Group operation (i.e. AWWA conferences, etc);

g. Certification - training applicable to the requirements for a specific classification;

h. Web-based Training - courses that permit training to be taken through the Internet; and

i. Computer-based training-courses that permit training to be taken at a convenient time and at the employee’s own pace through the utilization of a computer with a specialized software program.

6. RESPONSIBILITY

6.1 Under the supervision of the Public Utilities Group Training Manager, the Training Section shall:

a. In conjunction with supervisory personnel, identify training needs for employees in all job classifications;

b. Locate training resources for identified training needs;

c. Develop and maintain a comprehensive Public Utilities Group Training Program catalog which shall be revised and updated at least quarterly;
d. Monitor compliance with all training requirements of personnel according to their job assignments/occupational categories;

e. Distribute to all supervisors and key personnel, information regarding upcoming training opportunities on at least a monthly basis;

f. Monitor the enrollment and attendance of employees in training;

g. Prepare quarterly training activity reports which provide Appointing Authority with appropriate feedback and track data including information on employees who fail to attend, or successfully complete trainings;

h. Notify the supervisor of employee behavior observed in trainings which is substandard, inappropriate or disruptive to the instruction process;

i. Maintain accurate training records for all Public Utilities Group employees and Group sponsored training activities using the Training Information Management Systems (TIMS);

j. Provide ongoing training support to operating Divisions as requested, to ensure that training resources are appropriate to the changing needs of Public Utility Group employees;

k. Assist in developing appropriate course materials and instructor training;

l. Coordinate the Public Utilities Group Certification Program, which identifies voluntary and mandatory certifications (see SOPP 10.11.);

m. Coordinate the Public Utilities Group Financial Management Training, which identifies mandatory training for financial and debt management personnel (see SOPP 10.12);

n. Coordinate with other City organizations as needed and act as internal consultants on organizational development issues by providing communication skills training, organizational development support, career development counseling and professional growth services;

o. Represent the Public Utilities Group at City-wide Trainers meetings and act as a liaison with the Labor Relations Manager for training and employee development related issues; and

6.2 Appointing Authority Managers shall be responsible for:

a. Ensuring that the Public Utilities Group training goals are implemented within their Division;

b. Reviewing the mandatory, required and recommended training course requirements for their Division to verify that they are current and reflective of the employees changing needs;

c. Consulting with the Training Section to identify training opportunities and/or deficiencies within their Division as part of an ongoing analysis.

6.3 It shall be the responsibility of the Training Section to:

a. **For Water Divisions:** Enroll employees in training courses within appropriate time lines;

b. Forward employee's copy of the confirmation to the employee’s supervisor.

c. **For MWWD Divisions:** Maintain the MATRS and its procedures.

d. Update and maintain the training needs of the Public Utilities Group employees utilizing TIMS.

6.4 Public Utilities Group Supervisors shall be responsible for:

a. Coordinating with the Training Section to ensure that their new employees are provided all training which is mandated or required prior to beginning work activities;

b. Contacting the Training Section a minimum of one (1) working day prior to the scheduled start time of a training if subordinate employees are unable to attend as enrolled;

c. Noting the date, time and location of training in the employee’s work schedule;

d. Consulting with the Training Section on an ongoing basis to ensure that trainings are appropriate to the changing needs of employees in the workplace;
e. Providing technical skill and site-specific training to subordinate employees, documenting technical skill, site-specific training, tailgate, line-up, or equivalent trainings and supplying copies of training documentation (see Tab 3) to the Training Section within three (3) working days;

f. Authorizing release time for personnel to attend training courses, including necessary travel time to and from course;

g. Authorizing release time for personnel who serve as instructors, to develop course materials, to arrive prior to the designated course time, to teach and clean up the instruction area;

h. Verifying approval of Public Utilities Group Director and Appointing Authority for travel required for out-of-town training courses and also making necessary travel arrangements (See A.R. 90.30, Travel Policy);

i. Ensuring that Employee Performance Plans include training standards for all employees; Employee Performance Review Plans must include a standard for evaluating active participation in training. Supervisor Employee Performance Review Plan must also include a standard for ensuring their subordinates complete all mandated and required training.

j. Distributing schedules, rosters and training announcements to personnel in a timely fashion;

k. **For Water Divisions:** reviewing, at least quarterly, the training catalog mandatory, by-law delinquency reports, training requirements of their personnel and submitting an Internal Training Request form, UW-1531 (Tab 1) to the Training Section;

l. **For MWWD Divisions:** reviewing, at least quarterly, the training catalog mandatory, by-law delinquency reports, training requirements of their personnel, reviewing all training requests received from MATRS, and submitting Interdepartmental Training Request forms, UW-41 (Tab 8) to the Training Section when necessary.

m. Assisting subordinate employees in identifying their training needs and encouraging employees to attend performance or skill development training which will enhance their work performance and promote career development;
6.5 Public Utilities Group employees shall be responsible for:

a. Attending courses assigned, or notifying his/her supervisor of schedule conflicts;

b. Arriving at training on time and bringing specified materials, and participating actively in his or her training and demonstrating comprehension and skills competency of the materials covered in the trainings to the satisfaction of the instructors;

c. Demonstrating appropriate classroom behavior;

d. Legibly signing their name and providing accurate employee identification number on the course roster while ensuring that all line information is correct, then signing out on the roster upon completion of the course.

7. **PROCEDURE**

7.1 Internal Water Training

a. All supervisors shall continually review the training requirements of their personnel and submit either an **Internal Training Request, UW-1531** (Tab 1) or **Interdepartmental Training Request form, UW-41** (Tab 8) to the Training Section.

b. The Internal Training Request forms must be received in the Training Section (via interoffice mail, fax or hand delivery) a minimum of five (5) working days prior to the date of the requested course.

c. The Training Section shall, on a first-come basis, establish a roster for the course. If requested dates are filled, the supervisor will be informed and given information on alternative dates.

d. Upon completion of the registration process, the Training Section will send confirmation copies of enrollment to the supervisor. Upon receiving confirmation, the supervisor shall verify that the employee is available on the date of training and forward the employee confirmation copy.
e. Class rosters for internal courses shall be distributed to senior supervisors in the week preceding the course via the Class Connection.

f. If employee utilizes an Interdepartmental Training Request, the forms must be received in the Training Section (via interoffice mail, fax or hand delivery) a minimum of three (3) working days prior to the date of the requested course.

g. Employees who do not attend pre-registered courses shall be entered in TIMS as a "No Show" and will not receive credit.

7.1.2 Internal MWWD Training

a. All supervisors shall continually review the training requirements of their personnel and notify them of said requirements.

b. Personnel shall choose from available course dates and enroll in appropriate course(s) either through MATRS or Interdepartmental Training Request form, UW-41 (Tab 8).

c. If employee utilizes MATRS, each supervisor is notified by MATRS via email requesting their approval. On a first-come, first-served basis, when approved on both levels, employee is added to the course roster and automatically notified via email by MATRS. If denied, employee is notified via email by MATRS and will also be notified directly by their supervisor.

d. Personnel are required to request the course at least 5 days prior to the scheduled date.

e. Class rosters for internal courses shall be distributed to senior supervisors in the week preceding the courses via the Class Connection.

f. If employee utilizes an ITR, the forms must be received in the Training Section (via interoffice mail, fax or hand delivery) a minimum of five (5) working days prior to the date of the requested course.

g. When an ITR is submitted, the Training Section shall, on a first-come, first-served basis, establish a roster for the course. If requested dates are filled, the supervisor will be informed and given information on alternative dates.

h. Upon completion of the registration process, the Training Section will send confirmation copies of enrollment to the supervisor. Upon receiving confirmation, the supervisor shall verify that the employee is available on the date of training and forward the employee confirmation copy.

i. Employees who do not attend a pre-registered course shall be entered in TIMS as a "No Show" and will not receive credit.
7.2 Computer-Based Training

a. Computer-based training is conducted on special computers located either at the ETDC or the MOC 2 PC Training Room. Contact the Training Section for a list of the current courses available.

b. For the Water employees the Internal Training Request Form, UW-1531 (Tab 1) shall be completed and brought with the employee to the Training Section on the day of the training.

c. For MWWD employees, please contact the Training Section for instructions and information, and specific training opportunities.

d. Upon completion of the training, the employee's TIMS record will be updated.

e. The employee shall call the Training Section to schedule a convenient time with a Trainer for administration of the training.

7.3 External Training

a. Employees, including supervisors and managers, shall have all enrollments in these seminars, to be paid by the Public Utilities Group, processed through the Public Utilities Group Training Section.

b. Fees for any enrollments initiated directly by an employee without prior approval shall be the responsibility of the employee.

c. When externally available courses cover topic areas similar to internal courses, the internal course must be taken first. A waiver may be granted by the Training Section or Appointing Authority to employees assigned to external training as a result of a Performance Development Plan.

d. Potential participants should submit the completed Request for External Training, UW-1433, (Tab 2) via their supervisor, to their Appointing Authority, who will approve or disapprove all requests for external training.

e. External Training Requests must be forwarded to the Training Section for processing and records maintenance.

f. The Training Section should receive all requests for external training at least three (3) weeks prior to the course start date, to ensure adequate time for space reservation and fee payment processing.
g. The Training Section will process requests and enroll employees. All requests that are unable to be processed or that are denied by the Appointing Authority will be returned to the employee by the Training Section.

h. Participants will be notified promptly by the Training Section regarding their enrollment status.

i. The specific benefit to the City from external course attendance should be commensurate with the total cost. The Training Section will review requests for content, cost effectiveness and organization impact.

j. If travel expenses are to be incurred, the Appointing Authority shall review the request to ensure compliance with A.R. 90.30, Travel Policy. Travel must be approved by the Group Director prior to registration. An approved Out-of-Town Travel form, FM 1312 (Tab 7), must be submitted with the Request for External Training, UW-1433 (Tab 2).

k. After completion of travel, return completed Out-of-Town travel form, #FM 1312 and appropriate receipts to the Public Utilities Group’s designated travel coordinator.

l. Course materials obtained at external trainings beyond student workbooks, remain the property of the Public Utilities Group. Employees attending external trainings are encouraged to disseminate information obtained at external courses to their immediate workgroup.

m. Qualified employees wishing to be enrolled in Operator Courses offered by California State University, Sacramento (Office of Water Programs) shall complete and forward a Request for External Training, UW-1433 (Tab 2) to the Training Section.

n. Enrollments will be processed for one course at a time. Proof of completion certificate must be forwarded to the Training Section before employee will be enrolled in another Operator Course.

o. Operator Courses in progress will be entered into TIMS as “Incomplete” until a copy of the certificate of completion is received by the Training Section. At that time the course completion indicator will be changed to “Complete”.
7.4 Formal On-the Job Training

a. Appropriate safety tailgate, site-specific and technical and skill development trainings conducted at the worksite shall be provided to employees prior to employees being allowed to perform duties in potentially hazardous situations.

b. Records which include course title, date, length of training, information covered, name of instructor, signatures and complete identification numbers of attendees shall be maintained by the supervisor.

c. Within one (1) day of the training a completed Public Utilities Group Safety and Training Roster shall be sent to the Training Section for TIMS data entry, to maintain employee training history.

7.5. College/University Courses

a. Courses offered by eligible institutions and are MOU applicable shall be covered by provisions of the City's Tuition Reimbursement Plan (See AR 70.30, Tuition Refund Plan).

b. An Education Plan (Tab 4) shall be submitted for approval prior to seeking tuition reimbursement. Employees seeking tuition reimbursement courses shall complete and forward the Request for Approval of Tuition Reimbursement, CM 1578 (Tab 5) to his or her Appointing Authority a minimum of three (3) weeks prior to the start of the course.

d. The Appointing Authority shall forward the form with his or her recommendations for approval or disapproval to the Public Utilities Group Training Section.

e. The Training Section shall return a copy of the completed request to the employee for his or her records.

f. Upon satisfactory completion of the course, the employee shall forward a copy of his or her passing grade (minimum "C") along with original receipts describing each item of reimbursable expense and course relationship, to the Training Section.

g. Following verification, the Training Section shall initiate the Direct Payment request to reimburse the employee.
7.6 Correspondence Programs

a. Employees wishing to enroll in correspondence courses shall contact the Training Section prior to commencing any program for which fees are requested to be paid by the Public Utilities Group.

b. College units of credit for Operation Courses by California State University, Sacramento (Office of Water Programs) follow the Tuition Reimbursement process. A Request for Approval of Tuition Reimbursement, CM 1578 (Tab 5) must be filed prior to the start of the course.

7.7 Conferences, Conventions, Symposiums of Professional Organizations

a. The Training Section shall initiate registration and fee payment for personnel attending work related conferences, conventions, seminars, etc.

b. All requests for special outside training at educational institutions, other governmental agencies, or commercial companies shall be in accordance with AR 70.40, Special Outside Courses of Instruction.

c. Copies of any announcements, registration forms, or other materials should be submitted to the Training Section along with an External Training Request form, UW-1433 (Tab 2).

d. If travel expenses are incurred, the Appointing Authority shall initiate the appropriate administrative action to insure compliance with AR 90.30, Travel Policy. Travel must be approved by the Public Utilities Group Director prior to registration.

7.8 Web-Based Training:

a. Under certain conditions, external training courses conducted by non-City training providers may be obtained through the use of the Internet. See External Training, Section 6.2, for procedures to follow when utilizing this format of training.

b. Under other conditions, request for reimbursement of fees for approved web-based training courses fall within the guidelines of Section 6.4, College/University Courses.

c. Future internal department training, those courses offered through the Public Utilities Group Training program, may be available through the City’s website.

**Line Instructions**

13 Advanced transportation includes airfare, train tickets, and quoted rental car fees only.

14 Every effort must be made to secure lodging within the U.S. General Services Administration Perdiem guidelines established. If there are no hotels available at perdiem, an appointing authority may authorize or approve a higher rate. Lodging taxes are not included in the CONUS per diem rate. A printout of the current GSA Perdiem rate for the destination must be attached.

15 Perdiem must be reduced by any meals included in the registration fee for an event. 75% of the Meals & Incidental Expense (M&E) is allowed on the first and last days of travel. A printout of the current GSA Perdiem rate for the destination must be attached.

16 Transportation includes airfare, train tickets, rental cars, and mileage. Mileage is reimbursed through payroll via a completed form AC-1145, Mileage Report. A copy of the completed AC-1145 must be attached to the expense report. Transportation expenses paid directly by the City should also be included here.

17 Telephone/Internet includes business phone calls, business use internet access fees and wireless internet fees, and personal calls not to exceed $10/day.

18 M&E perdiems must be reduced for meals included in the registration fee for an event. The GSA website (www.gsa.gov/mie) provides a breakdown of breakfast, lunch, and dinner components of the maximum daily reimbursement rates for meals and incidentals.

19 Include registration paid directly by the City.

20 Direct paid expenses should include all expenses paid directly by the City: airfare, registration, etc.

21 Telephone/Internet includes business phone calls, business use internet access fees and wireless internet fees, and personal calls not to exceed $10/day.

22 M&E perdiems must be reduced for meals included in the registration fee for an event. The GSA website (www.gsa.gov/mie) provides a breakdown of breakfast, lunch, and dinner components of the maximum daily reimbursement rates for meals and incidentals.
