1. Please describe the work you do:

Hydro-Vac Maintenance

2. What combination of education, vocational training, apprenticeship, experience, and/or skill did you obtain in order to be qualified and selected for your job?

CWEA Grade 2 and an in-house crew leader test Jack.

3. What do you like best about your job?

Get to work outside

4. Please tell us about the projects and activities you have enjoyed most in your work in the water/wastewater field, and what made them rewarding.

Cleaning easement lines, with snatch blocks. And hand lines. Lines people say they can't clean.

5. What qualities and capabilities are needed in order for a person in your area of expertise to be successful in the water/wastewater industry?

Don't be afraid to get dirty.

6. Do you have any advice for an individual who is considering pursuing a career in your field in the water/wastewater industry?

Wash your hands before you eat your lunch.
