

#ThankWaterPros Webinar Series Women in Water: Working on the Frontlines

FREE WEBINAR · YOU'RE INVITED
Tuesday, October 6th, 11:00 a.m. - Noon

Calling all women (and women supporters) who want to feel empowered in the water and wastewater industry! Or if you are interested in joining the water profession.

We're hosting a very special one hour webinar discussion featuring four woman who work on the frontlines of California water. The webinar is free and everyone is welcome. We're also celebrating these amazing water professionals and all California water pros during Water Professionals Week, October 3-11.

Is the water sector welcoming and supportive of women? Are there opportunities to advance? How do I get into these careers, and where do I start? Is it safe? Do you get dirty? Joining us and find out!

Water Professionals Appreciation Week was established by California Senate Resolution 80, approved by the Legislature in 2017. The resolution, authored by Sen. Bill Dodd (D-Napa), was sponsored by an Association of California Water Agencies (ACWA) led coalition.

WE WORK FOR WATER

We provide a service that's essential to the world we live in.
