Tuition and Certification Reimbursement Process Due Date

Please be sure you have all your requests for either Tuition or Certification Reimbursement for FY2011 **approved and received by the Training Section by June 15, 2011**. Meeting this deadline is the only way these reimbursements can be charged to FY11 accounts. Reimbursements received after June 15, 2011 will be charged to FY12 thus limiting your pool of available dollars. Should you have additional questions, contact the Training Section at 619-668-2010.

Internal Controls, Workpaper Documentation, and Cost Allocation Training @ MOC II

This DI 10.12 approved 8 hour course covers such topics as the Nature and Purpose of Internal Controls, Standards for Effective Audit Workpapers, and Allocating Costs in a Municipal Environment. It is scheduled for Tuesday, May 17 and Thursday, May 19, from 8 AM to 5PM in the MOC II Training Room. If you have any questions, please contact Stephen Sorrentino at (619)668-2059, or SSorrentino@sandiego.gov.

Seats Available in the Upcoming Supervisors Academy @ Ridgehaven

This seven day program emphasizes principles of quality supervision, management techniques, acquaints supervisors with City resources and allows participants to interact with supervisors from other City Departments. The dates are May 12, 13, 19, 26, and June 2, 9, 10. By finishing this course, you will **also** receive credit for the Diversity and Threat Management requirements of Super 8. This course is now available for registration in [PURE](#).
